1. Mission statement

“An independent school for proactive, responsible, free-thinkers who go out into the world with the skills, knowledge and self-belief to become everything they are meant to be.”

As achieved through the following: *To be a dynamic educational community, developing the person in body, mind and spirit, and the personality in temperament and behaviour through real world learning, helping to shape a better world.*

2. Our values

- Character through self-belief and respect
- Kindness as a part of everyday life
- Community for mutual support
- Excellence in our approach

3. Our aims

- **To know** each student to make them feel valued and understood.
- **To challenge** students with a stimulating school environment where they can grow into kind, confident, capable adults.
- **To provide** a range of opportunities which enable every student to further their potential, enjoy their learning and achieve the best possible academic outcomes.
- **To inspire** students to emerge as intellectually curious and resilient young people with leadership skills, who will add value to their community.

4. Compliance and Monitoring arrangements

This statement will be subject to a thorough review process including consideration at the Education Committee and ratification by the Governing Body on an annual basis. This will ensure that practice across the whole school is in line with this statement, the Complaints procedure and with current guidance and legislation as/if required.
