DESTINATIONS

Woodbridge School has a strong record of students going on to take up places at Oxford and Cambridge, with a dedicated Head of Oxbridge and Academic Scholars who oversees and supports applications each year. Eight students received places at Oxford and Cambridge in 2024 and 2025.

The School also has a dedicated Careers and Futures team, who oversee university applications. For 2024 our average UCAS points score was 42.7, against a national average of 35.6.

CO-CURRICULAR *beyond the classroom*

Students can choose from 100+ co-curricular clubs and societies.

Learn hockey with a double-olympian, play chess with an international grandmaster, perform on stage in our state-of-the-art professional theatre, and so much more.

SCHOOL HOUSE *home from home*

With 60 beds, our co-educational boarding house is a close-knit, family style community with majority full boarders. Students from around the world live and learn together, fully immersed in school life and British culture.

Weekends are fun and vibrant, with a balance of study, activities and shared experiences that build on social skills and English speaking. International students develop lifelong friendships and networks.
